Upon request for background check information as outlined in the following procedures, the Division will respond with a form letter indicating no record or previous record with attached arrest information, to the location indicated on the fingerprint card. The following procedures have been compiled to assist individuals and agencies in submitting non-criminal justice requests for criminal history information and must be closely followed. Failure to follow instructions will result in the card being rejected until corrections are made.

**1. The individual must be fingerprinted on the standard FBI 8 x 8 BLUE applicant fingerprint card provided by the Division or any law enforcement agency.**

Fees:

- **State Background Check: \$15:** This includes not only Wyoming, but all states within the Western Identification Network (Alaska, Washington, Oregon, Idaho, Montana, Utah, and Nevada).
- **FBI Background Check \$24:** FBI Background checks are only available through agencies with authorization by Wyoming State Statute. Visit [www.fbi.gov](http://www.fbi.gov) for information about FBI background checks.

**Payment must be made before background checks can be processed. Failure to send proper payment will result in the cards being returned to the applicant or requesting agency.**

**2. The information on the top portion of the fingerprint card: Name, date of birth, reason fingerprinted, descriptive information, etc., must be completed. See appropriate FBI codes on back of this sheet.** Please print legibly or type this information in **black ink** and **do not use highlighters** on the cards.
